SIXTY-SIXTH YEAR—Number 50 | UPLAND, CALIFORNIA | PRICE 10c Single Copy | 2 Sections Thursday, Feb. 16, 1961

To the Editor:

A cheap and easy type of materialistic viewpoint is hardly the answer to all progress. Money and things still are subject to the human element in this land of ours.

If ever a problem could unite an area, the making of Euclid Ave. into a freeway is that problem.

Because the changes in the freeway system can be past our control almost over-night, we can waste no time in asking for a re-instatement of an alternate route east of Euclid which is largely uninhabited.

The changing of Euclid into an eight or 10 lane highway poses endless questions that must be answered by the State Highway Commission. For example:

1 —What advantage is there in having to rearrange intersections at Foothill, Arrow, Ninth - and the many others all through Ontario and south?

2 — What about the money to be paid to the property owners all along the route?

3 — What about the school crossings to be installed?

4 — Would it be a bargain to take out the entire center strip of Euclid?

The tremendous cost in money vs. the excessive and limitless cost in beauty and civic pride is the basis for my plea to all the residents of this area to demand a change in planning by the Commission.

This whole problem does not concern just the Euclid Ave. residents— but the entire city as a whole. Telephoning, organizing, petitioning, hearings, legal advice, coordinating of City Council and residents — all these elements and more must be instituted immediately, or it will be too late. It can be too late much too soon.

Here is a place where Mr. Nisbet, Mr. Shaw and Mr. Sheppard can take a stand for their constitutents. But primarily, here is a starting point (after sacrificing many others) where the people can unite and be heard.

Sincerely,
D.F.L.

Girls League Plans To Turn Back Clock

"Turn Back the Clock" is the theme of Upland High School's Girls League annual Backwards Week, which started Tuesday.

The Girls League, an organization of all girls at UHS, is philanthropic in nature. Each year the girls replenish their Welfare Fund, keeping it at a level that will benefit needy students.

Through the fund, students may obtain loans or grants for eye glasses and dental care. Also, the fund is used to obtain materials for needy students taking homemaking.

Loans and grants are handled through the counselor so that the student in need is assured of confidential aid. Issuing and repayment of the loans are the responsibility of the student store manager, again avoiding the possibility of embarrassment.

The Girls League, when the Fund level drops, carries on a Welfare Drive to replenish it, and all students help.

The Agenda

During Backwards Week, the Girls League plan activities for fun. These events take place before and after regular school hours. Scheduled for the 1961 Backwards Week:

Tuesday, "Ice Age", sponsored by Eileen Dexter. The girls cannot speak to the boys. Those who do must buy the boys a snow cone to be sold at noon.

Wednesday: "Buccaneer Day", with Sue Sergeant and Florence Wood. Students will try to identify "Captain Hook" and open a treasure chest.

On Thursday, Peggy Schmidt and Pat Randles will sponsor "Frontier Day", and Western items will be placed on campus to be used as photo backdrops. Students may pose for snapshots, using the props.

Friday, "Roaring 20's Day", sponsored by Margaret Romo and Claudia Ammons, is the highlight of the week. All students are asked by the League to wear clothing of the '20's. Autos of this era will be parked on campus, and the girls will vote for their "King". On Friday night, Date Night, the girls are paying for tickets to the basketball game.

Saturday night, Linda Hixson will sponsor the "Night Watch" dance. Music will be by the Cal Poly Hilltoppers, and the King of the Campus will be crowned. Paula Pruitt, Sue Rieder, and Sylvia Townsend are serving on the dance committee.

Marjorie Pleasant and Mrs. Barbara Russell are sponsors. Phyllis Smith is president of the UHS Girls League for 1960-61.

HEAD GIRLS LEAGUE — Eileen Smith, left, and Linda Hixson are top officers in Upland High Girls League which is promoting Backwards Week on the high school campus this week. Miss Smith is president of the organization and Miss Hixson is vice president.

Field Service Seeks Foreign Student Home

Some family in the Upland High School area will be chosen by the American Field Service to supply a home for a foreign student next year.

Mrs. Lyle W. Callow, chairman of the home placement committee of the local chapter, said today that time is running out for applications, and urged any interested persons to contact her for further explanations.

According to Mrs. Callow, the qualifications for a foster home have been altered by the New York office since last year. In general, the family must have: a heart—large enough to share a portion with another child from another land for a year —and probably forever. A mind—open to the different life and culture the student will bring with him, open to accepting him for his differences and not for his similarities. And a share of laughter and gaiety to shrink the problems that may come up and to strengthen the bonds of communication.

Qualified

Mrs. Callow is qualified to answer questions regarding home placement —last year the Callow family were hosts to Swiss student, Martin Kohli. Also, David Callow, son of Dr. and Mrs. Callow, is an applicant for the summer overseas program of the AFS.

Other foster parents in the area, and their foreign "sons and daughters" in the past few years are: Mr. and Mrs. W. Wolfe, Sebastian Lange of Germany; Mr. and Mrs. Wren W. Woodward —Marie Von Der Groeben of Sweden; and the current family, Dr. and Mrs. Raymond Kay, who are hosting Kirsti Nitter of Norway. All have attended Upland High School, and were with the graduating class.

Mrs. Callow said that it is not necessary that the family have a student enrolled at Upland High School. The rules for establishing eligibility for becoming foster parents for foreign students are flexible. Anyone interested in a real adventure in international understanding and goodwill should call Mrs. Callow at once.

Miss Harris Preparing For Venezuela Adventure

From Upland High School in the foothills of the San Bernardino Mountains to Orinoco Academy in the mountains of Venezuela — —that is an adventure planned by Miss Dorothy Harris, English teacher.

Miss Harris

Miss Harris has been granted a year's leave of absence to give her the opportunity to teach children of missionaries in Eastern Venezuela and Brazil. The academy is interdenominational, and is a part of the Orinoco River Mission.

After teaching summer school at Upland High, Miss Harris will drive cross-country, and from Miami, Fla. will fly to the town of Caripe, Venezuela, located near the academy.

Students of the academy are housed on the campus, and the faculty members live in apartments nearby. The academy is situated at a 3000-foot elevation and the town of Caripe is several miles away.

Miss Harris says that the area is a land of perennial summer —"orchid country"—however, the high location of the school is responsible for a cooler climate for students and faculty. The school enrollment is composed of the upper grades and high school.

The Schedule

Miss Harris says classes are in session from Tuesday through Saturday, with Sunday and Monday off. Stores and offices in the area observe the same hours.

Miss Harris will be missed at Upland High School, where she, with infinite patience, teaches those students who are slow in reading. She has taken many courses, including the Laubach system, to add to her skill in teaching "non-readers."

She says, "These young-

Public Hearing Thursday On Trustee Areas Plan

A public hearing on fixation of trustee areas in the Chaffey Union High School District will be held Thursday, Feb. 16, at 7:30 p.m. in the District Board room, 211 W. 5th St., Ontario.

This meeting is one in a series of meetings which will be held prior to any definite conclusions on establishing trustee areas within the District.

Since the proposal was made in January, there has been some confusion in the minds of District citizens as to what purpose the trustee areas will serve and as to how the areas will be determined.

Wren Woodward, member of County Committee on School District organization and also a member of the Chaffey District Board, offered some points of clarification this week.

Woodward explained that the establishing of such areas would not limit representation on the Board to a particular area in service or in selection by the voters.

Voting Plan

All members of the Board of Trustees, under the proposed system, would still be elected on a District -wide basis and each Board member would serve the entire District rather than just the area in which he resides.

The primary purpose in fixing trustee areas is to prevent concentrated representation from a particular area and not intended that the Board member represent only that area from which he is elected.

One proposal under the new alignment is to establish four trustee areas—Upland, Foothill, Montclair and Ontario. Boundries for the four areas have not yet been determined and these boundries will be an important part of the Thursday night discussion.

Currently the Board is comprised of members from Montclair, Cucamonga, Upland and Ontario and all but the two Ontario seats are up for election on April 18. It is possible for all three of the seats to go to candidates living in Ontario, thus making the entire Board composed of Ontario residents.

The new proposal, however, would not eliminate this possibility in the April 18 balloting since the public meetings on the proposed changes must be followed by a vote of the District.

Earliest possible date that the trustee areas plan could go into effect would be the election in 1963.

The move for trustee areas was first made by the Chaffey Board to prevent, in future elections, an imbalance of representation on the Board, Woodward said.

Joanne Extale Marries James Davidson Saturday

Joanne Barbara Extale, Upland, was married to James Patrick Davidson, Ontario, in a double-ring ceremony Saturday in St. George's Catholic Church.

Monsignor William Casey performed the ritual before approximately 300 relatives and friends.

Mr. Gilbert Extale, father of the bride, gave her in marriage. The church was decorated with tall baskets of white gladiolas and snapdragons and stocks.

The bride wore a Cahill original of classic white taffeta with drop portrait neckline of Alencon lace. The gown was fashioned with Alencon lace applique on bouffant skirt with full train.

Her veil consisted of layers of silk illusion, cascading from crown of imported orange blossoms. She carried a bouquet of white hyacinths with a white orchid center.

Miss Mary Ellen Davidson, sister of the grom, served the bride as matron of honor. She wore a red velveteen sheath dress with silk organza overskirt and carried white camellias with hyacinths.

Best Man

Michael Bauman, Belmont, served the groom as best man and guests were seated by Michael Davidson, brother of the groom; Gilbert Extale, brother of the bride; Jerry Hendon, and Dick Lawrie-Smith, both of Ontario.

The bride's mother wore a pure silk turquoise sheath dress with matching shoes and white accessories and the bridegroom's mother wore a pure silk ice blue sheath dress with matching shoes and hat and white accessories.

Mrs. Don Anderson was organist for the ceremony.

A wedding reception followed the ceremony and was held at Holiday Inn, Montclair. The traditional wedding cake consisted of four tiers and was adorned with three satin bells and bound with pearls.

Hostesses for the reception were Mrs. Robert Rodman, Mrs. Duane Neely, Mrs. Darrell Schnell and Mrs. Dean McKee.

The bride chose a black and white tweed suit, white blouse and black accessories for her wedding trip.

The couple will occupy their home at 113 E. G St., Ontario, on Feb. 17.

The bride is the daughter of Mr. and Mrs. Gilbert Extale, 1237 N. First Ave., Upland, and the groom is the son of Mr. and Mrs. James W. Davidson, 1315 N. Sultana, Ontario.

The groom recently graduated from University of Idaho and attended Chaffey High and Chaffey College and has been a resident of the community since birth.

The bride is a school teacher at El Camino School in Ontario. She attended Chaffey High, Chaffey College, San Francisco State and University of Idaho.

Tom Strack and R. Strack will team up for the 100 yard back stroke event and Becker and Strack will be going for Upland in the individual medley.

Other features on the program have Murray and Bonds in the 100 yard free style; Lynch and Futcher in the 100 yard butterfly; Smart, Letz and Allen in the 100 yard breast stroke, and Ganren and Rose in the varsity diving event.

Mrs. C. Ray Stark, president of the Upland-Ontario branch of the American Association of University Women, has announced that net proceeds of the annual benefit dessert-bridge of the branch totaled $575.00.

The bridge was held recently at the Elks Club in Ontario.

The funds will go towards the branch's quota for the new AAUW national educational building in Washington, D.C. A local scholarship will be given again by the branch in June in support of the national fellowship program.

In keeping with the theme, "Queen of Hearts," each of the 100 bridge tables was centered with a small gold queen's crown containing a potted philodendron plant decorated with a red heart. These also served as table prizes. Walls were decorated with large Queen of Hearts playing cards and gold queen's crowns were suspended from the ceiling.

Forty - five door prizes, wrapped in red and gold were given away. Included in the prizes were two Chaffey Community Concert tickets and three prize-winning parakeets in their own cages donated by AAUW member Mrs. Eugene W. Larson.

Mrs. Duane Gifford was general chairman of the bridge. Assisting her were Mrs. E. J. Gasman, decorations; Mrs. Don Alexis, tallies; Mrs. Patton Lewis, tables; Mrs. Gerad Rawle, refreshments; Mrs. Robert Whitaker, door prizes; Mrs. N. B. Close, tickets and reservations; Mrs. K. Ray Stark, candy; Mrs. Lawrence Carpentier, cleanup; Mrs. Donald Stewart, publicity.

Savings & Loan Offers Services For Builders

Locally owned, locally operated —a progressive and active organization that will become a respectable part of the community.

This best describes the Ontario Savings and Loan Association, according to Charles Latimer, president.

The new institution is located at 603 N. Euclid Ave., Ontario, and opened its doors for business Feb. 7.

"Local builders can now apply locally for funds," Latimer said, "instead of going far away for needed money."

In describing the new association, Latimer also emphasized that the escrow department has been set up to handle not only their own loans, but mainly as an "outside sale escrow" department. This means those sales not pertaining to real estate loans within the organization itself. It is a service rarely found in a savings and loan association, Latimer said.

Named to handle escrows is Mrs. Lucile Lantz, escrow officer, who lives in Ontario and has worked in her field for the past 15 years.

All other persons are "local people," including Howard W. Planalp, executive vice president and manager; and Bob Abercrombie, loan officer. Planalp worked for 11 years at Laguna Savings and Loan, and three years for Santa Ana First Federal Savings and Loan.

Directors are Mike Kelber, Jay D. Harnish, Dr. Walter Sullivan, Jack E. Glassford, Milton J. Thurber, Pete Borba Jr., and Charles Latimer.

Spartan Five Scores Fifth Win of Season

Upland College made a trip to Los Angeles Tuesday night to oppose Los Angeles City College in a non-league tilt.

The Tuesday night basketball encounter was the second meeting of the two clubs, Upland winning the first in a low-scoring affair, 34-26.

Saturday night the local college quintet wrapped up its fifth victory of the season by tripping a combination Claremont Men's College-Harvey Mudd College varsity reserve crew 72-62.

Bob Fisher, former Pomona High cage star, tallied 39 points to pace the Upland College attack.

The Spartans romped to a 46-24 halftime margin and Coach Paul Trautwein sprinkled his lineup with reserves for most of the second half.

Cynthia Barone Gets Scholarship

Miss Cynthia Barone, daughter of Mr. and Mrs. Anthony Barone, Upland, is the winner of the $100 scholarship award presented each year to an Upland College student by the Upland Business and Professional Women's Club.

Miss Barone accepted the scholarship award at the annual "Bosses Night" dinner last week. Miss Frances Barks, chairman of the Career Advancement Committee of B & PW made the award.

Miss Barone plans to use the scholarship in pursuit of her master's degree in Sociology, which she hopes to combine with a teaching career.

Presiding at the dinner meeting was B & PW president Mrs. Flora Kushin. Mrs. Merrill Conn welcomed the guests, and the response in behalf of the men guests was made by Mr. Merrill Conn.

Speaker

Mrs. Zella Stone, president, California Federation of B & PW clubs, spoke briefly to the group and pointed out that the Federation will cooperate with all other groups in promoting Americanism and good citizenship.

Miss Barone

Chief speaker of the evening was Mrs. Julia Arri, program coordinator of the California Federation, who spoke on the woman's role in a changing world.

New members introduced were Miss Evangeline Correra, Chino, employed by Shady Grove Dairy, and Mrs. Mel Hodell, of the Upland NEWS. Entertainment was by the Vocal Chords, a trio of local talent. Its members are Mmes. Harvey Woods, Edward Capparelli, and Robert Wells.

Festive valentine decorations centered all the tables, and a large centerpiece of red carnations and white stock graced the speakers' table.

Lancers Nip Montclair Prep Cagers

Upland Academy dropped Montclair Prep last Friday 43-35 to protect its slim margin at the top of the Academy League standings and went against Whittier Christian last Tuesday afternoon.

The Upland Lancers have compiled a record of 8-1 to head the League while second place Ontario Christian is nipping at their heels with a 7-2 record.

The Whittier team has won 2 and lost 7 and rests in the league's sixth spot.

Winston Villocino paced the Upland attack with 16 points and Tony Dean contributed 10 points towards the win over Montclair Prep.

Highlander Cagers Flounder at Chino

Chino, racing towards the Tri-County League championship, couldn't stop the deadly accuracy of Upland High in the opening period last Friday night but came bouncing back to grab a 57-43 victory.

Upland, paced by the sterling effort of Jim Fink with 14 points, moved ahead of Chino 9-5 in the first period.

Lou Schmutz, normally an outstanding performer for the Highlanders, got in trouble early in the fracas by drawing four fouls. The 6-3 center was unable to find the target during that first half but came back in the second half to drop in eight points.

Dave Cox turned in his usual dependable performance and accounted for nine of the Upland markers.

Bees Win

The Upland B squad got a bigger smile from dame fortune, however, and managed to stay a contender in the conference race by nudging the host quintet 43-39.

Upland and Bonita now share fourth place in TCL play with identical records of 2-5 while Chino heads the field with a 7-0 record. Pomona is the second place club with a 5-2 mark.

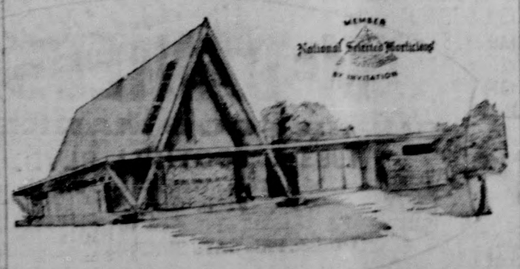

Chino can clinch at least a share of the title Friday night with a victory over last-place Corona.

The Highlanders will attempt to take over a full share of the fourth spot when they host Bonita here on Friday night.

Claremont then comes to Upland on Feb. 21 and the Highlanders go to Pomona on Feb. 24.

"Medallion homes are my choice"
J. R. BOLKER, OWNER AND PRESIDENT, BRIGHTON-BILT HOMES
When building expert J. R. Bolker decided to develop Brighton Hills, an $18-million project in Montebello, he left nothing to chance.
A sales office on the project site interviewed hundreds of prospective home buyers. They were asked about such things as home size, floor plans, and—of course—kitchens. A great majority indicated they wanted the features found only in homes built to Medallion requirements.
Concludes Mr. Bolker: "People realize they're receiving value in the Medallion home. That's why our Brighton Hills Homes bear the Medallion Award."
Experts like Mr. Bolker make sure before they decide. Take a tip. You do the same. Look for the Medallion. It symbolizes the high standards of electrical excellence.
Only one new home in five qualifies for the Medallion—an award which assures you:
1. All-electric kitchen, equipped with major electric appliances, including flameless range and oven.
2. Housepower wiring for modern electric living.
3. Light for Living—abundant light designed for comfort, safety and beauty.
The *Gold* Medallion Award includes all these Medallion features and *more*. For total electric living, the *Gold* Medallion adds:
4. Flameless electric space and water heating.

Ash Wed., Lenten Season

Most of us have only a vague notion of what is meant by the Lenten Season. All youth and adults of Christian faith should take some time to develop an understanding of this period coming before Easter.

Ash Wednesday continues to be a mystery to some of the evangelical protestant churches. It is not, however, something to be scorned, but to be uplifted as a devout worship experience for those who participate in it.

The Palm Branches from the preceding Palm Sunday Processional are carefully preserved during the church year. They are burned on the day before Ash Wednesday and the ashes are preserved. It is these ashes that are used to inscribe the sign of the cross on the forehead of the faithful as they come to kneel at the altar rail. This sign is worn throughout the day, until such time as has been designated as the conclusion of the religious observance. It is a declaration of faith in Jesus Christ and acknowledgement of His suffering during Passion Week.

Lent is a period of fasting and self-denial during a time interval including six Sundays prior to Easter Sunday. For this year of 1961, the first Sunday in Lent will be Feb. 19.

Lent is traditionally marked by self-sacrifice and mourning, for it commemorates dark events. Jesus was tried, condemned, and nailed to the cross during the period we designate as Lent. So it is a time to ponder about our own shortcomings and failures and to seek divine rescue from the state into which we have fallen.

This is a period to emphasize penitence and renewal of the spiritual life. The observance varies greatly within Protestant churches.

Methodist Bishop To Talk in Area

Bishop Gerald Kennedy, Los Angeles, will address several hundred San Bernardino County Methodists at First Methodist Church, 918 S. Euclid Ave. Feb. 19, at 7:30 p.m.

The visit of the prominent church leader, president of the Methodist Council of Bishops, will set in motion plans for a $2.5 million fund campaign to meet two needs: more new churches, and financial support for California Western University, San Diego.

The actual campaign will be conducted a year from now in the 420 churches that comprise the Southern California-Arizona Conference of The Methodist Church. Funds will be divided $1.5 million for new churhes, and $1 million for Cal Western, a rapidly growing Methodist - related university which in seven years has an enrollment of 1,650 students.

City Church Plans Annual June Fiesta

Plans were formulated for the annual June Fiesta when St. Joseph Altar & Rosary Society of Upland held its' regular meeting recently in the school auditorium.

Guild events included in the discussions were a Spanish dinner to be served in the auditorium Feb. 19 by members of Immaculate Conception Guild and a rummage sale will be held by members of Presentation Guild on Feb. 23, 24 and 25.

The Rev. Michael Browne gave the first of a series of instructions on "The History of Religion".

Two new members, Mrs. Ernest Rivera and Mrs. Mary Morovic, were introduced and welcomed into the society.

A decorated cake and camellias centered the refreshment table. Members of St. Catherine Guild served the guests.

The next regular meeting will be held on Tuesday, Mar. 7 in the school auditorium.

Youth Group Plans Car Wash Feb. 18

In a concerted effort to raise necessary money for two immediate needs, the high school and junior high divisions of the NYPS are planning a church-wide car wash at the Upland First Church of the Nazarene, 120 W. Ninth St., on Saturday, Feb. 18.

The income received will be used to purchase program and planning materials for use during the 6:00 hour on Sunday nights, and to help purchase needed basketball uniforms for the junior high and high school basketball teams from the church.

These items are not covered in the Youth Work budget and the money must be raised through other means.
